

Atlantic Partners, in collaboration with Pega, is pleased to announce a new partnership with Veterans Career First (VCF) and NA Consulting. The collaboration is designed to improve the lives of U.S Veterans by providing an opportunity for Veterans to develop careers in IT Consulting. VCF's SSA candidates have extensive IT experience, years of healthcare and/or financial services.

Angel Morales

Angel is a certified SSA with Financial Service experience, including clients such as Bank of American and Merrill Lynch. He has a background in development and management of infrastructure, as well as experience in Data Center and Application migrations.

Eric Mora

Eric is a certified SSA with extensive Financial Service experience. Eric worked as a Mainframe Programmer at UBS for over 10 years and has experience supporting Performance Reporting and Portfolio Reporting Systems.

Robert C. Rose

Robert is a certified SSA with over 17 years of software development experience. Robert has extensive Healthcare experience, and recently worked at Trizetto as a Software Engineer and Blue Cross Blue Shield as a Systems Analyst enhancing and maintaining their healthcare claims processing system.
